

Surgery Preoperative List

The items below that are highlighted pertain to you:

You may eat breakfast on the day of surgery.
Take all of your medications unless otherwise instructed.

Please be prepared to wait. Your waiting time will be approximately 4 hours. Please, don't have anything planned that you have to do that day. You may bring something to read, something to do or someone to visit with. We also have a Wi-Fi connection for laptops/tablets.

Wear something warm, loose and comfortable. Bring a sweater or light jacket.

On the day of surgery only the patient will be allowed in the surgery room during the procedure.

Stop alcohol 2 days before surgery.

**Due to the limited number of surgery appointments available,
We require a 48 hour notice if you need to reschedule or cancel your appointment.**
